Aadhar and Bank account link mandatory

The Reserve Bank of India has clarified that Aadhaar linkage with bank accounts is mandatory. The RBI clarification followed a reply to a Right to Information (RTI) application which suggested the apex bank has not issued any order for mandatory Aadhaar linkage with bank accounts.

But the Reserve Bank, in a statement, clarified that linkage of Aadhaar number to bank account is mandatory under the Prevention of Money-laundering (Maintenance of Records) Rules. It said, these rules have been published in the Official Gazette on 1st of June this year.
